CHOCOLAT

Kum-Ji thought that she was willing to do anything to get closer to her favorite boy band, F.O.I., even if it meant that she had to join a fan club of their new rival group, Yo-i. But it is getting harder and harder to deal with E-Soh of Yo-i, the only one who knows about her little secret. And now, E-Soh drops a bomb on her. He tells her that he likes her? What? What will Kum-ji do when she finds out that the boy with her most cherished secret likes her? Enjoy this second book of the wild and crazy story of idol fans.
